### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

As to claims 12-16, 21, 39, 41, 47, 51:

Independent claim 12 is drawn to computer-readable storage medium. The specification, as amended on 8/13/2007, states: "Software written according to the present invention is to be stored in some form of computer-readable storage medium, such as memory, CD-ROM, or transmitted over a network. Consequently, a computer-readable medium is intended to include a computer readable signal [...]." Thus, it is the Examiner's interpretation that Applicant's specification gives two distinct actions which may be performed on software written according to the present invention, namely the software may be stored or transmitted. By reciting a computer-readable storage medium in claim 12, Examiner interprets that the claim is drawn to software that is stored, not transmitted, on a non-transitory medium. Thus, claim 12 meets the 35 USC 101 statute as being drawn to a computer-readable storage medium which includes a memory or CD-ROM, and does not include transmitted signals.

### EXAMINER'S AMENDMENT

Claims 5, 7-9, 11, 17-20, 22, 28-31, 33-34, 38, 40, 42 and 44 are cancelled.

Claims 1-4, 6, 10, 12-16, 21, 23-27, 32, 35-37, 39, 41, 43 and 45-52 are allowed.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Dependent claims 13-16, 21, and 47 are amended as follows:

Insert the word "storage" in the phrase "computer-readable medium" to read: "computer-readable storage medium."

Art Unit: 2171

Examiner called and left message for Applicant on 4/5/2011 and 4/25/2011, but no response was received by Examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JORDANY NUNEZ whose telephone number is (571)272-2753. The examiner can normally be reached on Monday Through Thursday 9am-7:30pm.
